

KARDIGAN, INC.

AMENDED AND RESTATED AUDIT COMMITTEE CHARTER

I. General Statement of Purpose

The purposes of the Audit Committee of the Board of Directors (the “Audit Committee”) of Kardigan, Inc. (the “Company”) are to (A) assist the Board of Directors (the “Board”) in its oversight of (1) the integrity of the Company’s financial statements, (2) the Company’s compliance with legal and regulatory requirements, (3) the qualifications, independence, and performance of the Company’s independent auditors (the “Independent Auditors”) engaged for the purpose of preparing or issuing an audit report or performing other audit, review, or attest services for the Company, (4) the performance of the Company’s internal audit function, if any, and (5) the Company’s framework for enterprise risk management; and (B) prepare the report required by the rules of the Securities and Exchange Commission (the “SEC”) to be included in the Company’s annual proxy statement.

II. Composition

The Audit Committee shall have at least three (3) members, each of whom is a member of the Board (a “director”) who: (1) is “independent” as defined in Rule 5605(a)(2) under the Listing Rules of The Nasdaq Stock Market LLC (as amended from time to time and in effect, the “Nasdaq Rules”); (2) meets the criteria for independence set forth in Rule 10A-3(b)(1) promulgated under Section 10A(m)(3) of the Securities Exchange Act of 1934, as amended (the “Exchange Act”), subject to the exemptions provided in Rule 10A-3(c) under the Exchange Act; and (3) has not participated in the preparation of the financial statements of the Company or a current subsidiary of the Company at any time during the past three years. The foregoing requirements are subject to any exemptions, exceptions, cure periods or phase-in accommodations that may be available to the Company under applicable securities laws and stock exchange rules.

Notwithstanding the foregoing, one director who is not “independent” as defined in Rule 5605(a)(2) under the Nasdaq Rules but who satisfies the criteria for independence set forth in Section 10A(m)(3) of the Exchange Act and the rules thereunder and is not a current officer or employee or a Family Member (as defined in the Exchange Act) of such officer or employee, may serve on the Audit Committee if the Board, under exceptional and limited circumstances, determines that membership on the Audit Committee by the director is required by the best interests of the Company and its stockholders, and the Board discloses, in the next annual proxy statement subsequent to such determination (or, if the Company does not file a proxy statement, in its Form 10-K or 20-F), the nature of the relationship and the reasons for that determination. A director serving on the Audit Committee under this exception may not serve on the Audit Committee for more than two years and may not chair the Audit Committee.

Each member of the Audit Committee shall be able to read and understand fundamental financial statements, including a company’s balance sheet, income statement, and cash flow statement. At least one member of the Audit Committee shall have past employment experience in finance or accounting, requisite professional certification in accounting or comparable

experience or background that results in the individual's financial sophistication, including being or having been a chief executive officer, chief financial officer, or other senior officer with financial oversight responsibilities. At least one member of the Audit Committee may qualify as an "audit committee financial expert" as defined under the rules promulgated by the SEC.

The members of the Audit Committee shall be appointed by the Board and may be replaced or removed by the Board with or without cause. Resignation or removal of a Director from the Board, for whatever reason, shall automatically constitute resignation or removal, as applicable, from the Audit Committee. Vacancies, for whatever reason, may be filled only by the Board. The Board shall designate one member of the Audit Committee to be Chair (the "Chair") of the committee.

III. Compensation

A member of the Audit Committee may not, other than as a member of the Audit Committee, the Board, or any other committee established by the Board, receive directly or indirectly any consulting, advisory, or other compensatory fee from the Company. A member of the Audit Committee may receive additional directors' fees as compensation for the significant time and effort required to fulfill the duties of an Audit Committee member.

IV. Meetings

The Audit Committee shall meet as often as it deems appropriate, but not less frequently than quarterly. The Audit Committee can meet in person or by video or telephone conference or such other means by which all participants in the meeting can hear each other. A majority of the members of the Audit Committee shall constitute a quorum for purposes of holding a meeting, and the Audit Committee may act by vote of a majority of members present at a meeting. In lieu of a meeting, the Audit Committee may act by unanimous written consent in accordance with the Company's bylaws.

The Chair of the Audit Committee, in consultation with the other committee members, may determine the frequency and length of the committee meetings and may set meeting agendas consistent with this Amended and Restated Audit Committee Charter (the "Charter").

Periodically, the Audit Committee shall also meet separately with management; with internal auditors (or other personnel responsible for the internal audit function), if any; and with the Independent Auditors.

V. Responsibilities and Authority

A. Matters Relating to Selection, Performance, and Independence of Independent Auditors

1. The Audit Committee shall be directly responsible for appointing, retaining, terminating, and determining the compensation of the Company's Independent Auditors. The Audit Committee may consult with management in fulfilling these duties but may not delegate its responsibilities to management.

3. The Audit Committee shall instruct the Independent Auditors to report directly to the Audit Committee.
4. The Audit Committee shall pre-approve all auditing services and the terms of those services (which may include providing comfort letters in connection with securities underwritings) and non-audit services to be provided to the Company by the Independent Auditors (other than non-audit services if the “de minimis” provisions of Section 10A(i)(1)(B) of the Exchange Act are satisfied and non-audit services prohibited under Section 10A(g) of the Exchange Act or the applicable rules of the SEC or the Public Company Accounting Oversight Board (the “PCAOB”)). The Audit Committee may delegate authority to pre-approve audit and non-audit services to its Chair, who shall report all pre-approval decisions to the Audit Committee at its next scheduled meeting.
5. The Audit Committee may review and approve the scope and staffing of the Independent Auditors’ annual audit plan(s).
6. The Audit Committee shall (1) request that the Independent Auditors provide it with the written disclosures and the letter required by PCAOB Rule 3526 (“Rule 3526”); (2) require that the Independent Auditors submit to the Audit Committee at least annually a formal written statement describing all relationships between the Independent Auditors or any of its affiliates and the Company or persons in financial reporting oversight roles at the Company that might reasonably be thought to bear on the independence of the Independent Auditors; (3) discuss with the Independent Auditors the potential effects of any disclosed relationships or services on the objectivity and independence of the Independent Auditors; (4) require that the Independent Auditors provide to the Audit Committee written affirmation that the Independent Auditor is, as of the date of the affirmation, independent in compliance with PCAOB Rule 3520; and (5) based on such disclosures, statement, discussion and affirmation, take or recommend that the Board take appropriate action in response to the Independent Auditors’ report to satisfy itself of the Independent Auditors’ independence. In addition, before approving the initial engagement of any Independent Auditor, the Audit Committee shall receive, review, and discuss with the audit firm all information required by, and otherwise take all actions necessary for compliance with the requirements of, Rule 3526. References to rules of the PCAOB shall refer to any substantially equivalent rules adopted to replace the rules referred to above, in each case as subsequently amended, modified, or supplemented.

7. The Audit Committee may consider whether the provision of the services covered in Items 9(e)(2) and 9(e)(3) of Schedule 14A of the Exchange Act (or any successor provision) is compatible with maintaining the Independent Auditors' independence.
8. The Audit Committee shall evaluate the Independent Auditors' qualifications, performance, and independence, and shall present its conclusions to the full Board. As part of its evaluation, at least annually, the Audit Committee shall:
 - obtain and review a report or reports from the Independent Auditors describing (1) its internal quality control procedures; (2) any material issues raised by its most recent internal quality control review or peer review or by any inquiry or investigation by government or professional authorities, within the preceding five years, regarding one or more independent audits it has conducted, and any steps it has taken to address any issues that were identified; and (3) to assess its independence and all relationships between it and the Company;
 - review and evaluate the performance of the Independent Auditors and the lead partner (and the Audit Committee may review and evaluate the performance of other members of the Independent Auditors' audit staff); and
 - assure the regular rotation of the audit partners (including, without limitation, the lead and concurring partners) as required under the Exchange Act and Regulation S-X.

In this regard, the Audit Committee also shall: (1) seek the opinion of management and the internal auditors, if any, of the Independent Auditors' performance; and (2) consider whether, to assure continuing auditor independence, the audit firm engaged by the Company to serve as Independent Auditors should be regularly changed.

9. The Audit Committee may establish, or recommend to the Board, policies with respect to the potential hiring by the Company of current or former employees of the Independent Auditors.

B. Audited Financial Statements and Annual Audit

4. The Audit Committee shall review and discuss with the Independent Auditors (outside of the presence of management) how the Independent Auditors plan to handle their responsibilities under the Private Securities Litigation Reform Act of 1995, and request assurance from the Independent Auditors that Section 10A(b) of the Exchange Act has not been implicated.

5. The Audit Committee shall review and discuss with the Independent Auditors any audit problems or difficulties and management's response thereto. This review shall include (1) any difficulties encountered by the Independent Auditors in the course of performing its audit work, including any restrictions on the scope of its activities or its access to information; (2) any significant disagreements with management; and (3) a discussion of the responsibilities, budget, and staffing of the Company's internal audit function, if any.

8. The Audit Committee also shall review and discuss with the Independent Auditors the report required to be delivered by such auditors pursuant to Section 10A(k) of the Exchange Act.
9. If brought to the attention of the Audit Committee, the Audit Committee shall discuss with the principal executive officer, principal financial officer, and principal accounting officer of the Company (1) all significant deficiencies and material weaknesses in the design or operation of internal control over financial reporting that are reasonably likely to adversely affect the Company's ability to record, process, summarize and report financial information required to be disclosed by the Company in the reports that it files or submits under the Exchange Act, within the time periods specified in the SEC's rules and forms and (2) any fraud involving management or other employees who have a significant role in the Company's internal control over financial reporting.
